An "Amen" Prayer Reminder

Use the space below to make a prayer reminder. Draw a symbol that will remind you to pray frequently. Decorate your reminder and color in the word *Amen*.

Family Note: Your child is learning that prayer is a way to show love for God. If your child completes this activity page at home, help him or her decide on a good symbol for prayer (folded hands, a cross, a flower, etc.) Display the completed reminder at home, where it will be seen by family members daily.

Catechist Note: Use this activity page with Chapter 4, "Giving Thanks and Praise." Help the children think of suitable prayer symbols. Provide art materials. Children may wish to make their reminders look like mosaics by filling in the word *Amen* with small pieces of colored construction paper or artists' tissue. Encourage the children to take their completed reminders home to display.
