## A Memory Picture Book

You can make a memory picture book of your faith experiences. On this page, draw or write about a faith experience that you shared with your family. Take your completed page home and add to your memory book every so often.

**Family Note:** Your child is learning that the Eucharist is a time of remembering. If your child completes this activity at home, help him or her recall special events (Baptism, family prayer, a favorite Christmas or Easter liturgy) to draw or write about. If you wish, give your child a notebook or folder for collecting memory pictures.

**Catechist Note:** Use this activity page with Chapter 5, "Remembering." Help the children get started by suggesting faith experiences (Baptism, family prayers, a favorite Christmas or Easter liturgy) to draw or write about. Encourage the children to take their completed pages home to form part of an ongoing memory book.
