I will follow this commandment by _____

Family Note: Your child is learning about following God's Law. If this activity is completed at home, let family members decide how to restate each commandment as a rule your family will follow. Keep the statement simple and brief. Encourage the following of the rules of love. In a week or so, discuss the ways your family successfully lived by your family rules.

Teacher Note: Use this activity with Chapter 2, "Loving God." Have volunteers explain each commandment.
